Plaintiffs,  
  
v.

Case No. C. A. No. 07-731-GMS

**AMENDED STIPULATION AND [PROPOSED] ORDER  
REGARDING ELECTRONIC DISCOVERY**

The parties hereby stipulate and agree, subject to the Court's approval, that the e-discovery procedures set forth in the Stipulation and Proposed Order Regarding Electronic Discovery filed January 31, 2008 (D.I. 30)(the "Stipulation") are modified as follows:

| Event  | Date                 |
|--|----------------------|
| Plaintiffs shall provide a list of the most likely custodians of relevant electronically stored information, including a brief description of each person's or group's title and responsibilities. | February 13, 2008    |
| Each party shall provide a list of proposed keyword search terms to be used by the opposing party in searching for electronic documents.   | February 15, 2008    |
| The parties shall meet and confer regarding keywords lists and any issues related to the above disclosures.  | by February 22, 2008 |

This adjustment is needed to provide the Plaintiffs with additional time to provide a list of the most likely custodians of relevant electronically stored information, and to allow the parties adequate time to develop and exchange a list of proposed keyword search terms following all parties' disclosure of the most likely custodians. The remaining provisions in the Stipulation remain unchanged.
